

Foresight News April 2024

Dear Parents

This month our theme is "Our World". We will focus on how we can make our planet Earth a kinder and cleaner home. We will do this by learning how to recycle, reduce, reuse, and up-cycle. It will also be important to explore the concept of resource conservation: air, water, land, trees, and animals. We will discover various environments and eco-systems of the Earth, including the rain forest, Arizona's National Forest, and the Earth's various water systems. Hopefully, we as teachers and parents can work together to teach our children to appreciate and care for our planet so the future will provide a safe, healthy, and clean environment for us all.

We will also be exploring the world of long ago-DINOSAURS!

Special Events

Spring Holiday:

**April 1st - Monday (after Easter)
No School!**

Week of the Young Child!

Help us celebrate the Week of the Young Child!! The WOYC is a celebration sponsored by the National Association for the Education of Young Children (NAEYC) that focuses on the needs of young children, their families, and early childhood. Please see attached flyer!

Parent-Teacher Conferences:

Conferences will be the week of April 15th.

The conferences will be in person, however if it is more convenient to do a phone call, we can do that, just specify when you sign-up. Thanks!

*****Conferences with Miss Kori & Miss Amanda will be:**

Tuesday April 16th and Thursday 18th.

*****Conferences for Miss Jena will be Friday, April 19th all day.**

The sign-up sheets will be in the entrance area near the sign-in books.

SAVE THE DATE!!!!!!

"Spring Open House"

FORESIGHT FAMILY CARNIVAL

Friday, May 17th 5:30- 7:30pm.

We are so excited to have our spring open house! We will be grilling hotdogs and hamburgers, asking families to bring a side dish to share, there will be carnival games, face painting and more!!!!

.....SO FUN!

Other News

NAEYC for Families!

The National Association for the Education of Young Children (NAEYC) offers families a free newsletter. You can have this emailed to you so you can get research-based, family-friendly tips and ideas about your child's learning and development delivered right to your e-mail box!

Go to www.families.naeyc.org/signup to have it sent to you.

Arriving at school:

Please sign-in at time of arrival, and then escort your child outside. Staying inside is not a choice at this time. Teachers are preparing for the day and are not able to supervise students while preparing for the day's activities. They are available to talk to parents with questions, concerns, and comments, but do not have time to visit with each individual child. If your conversation will be extensive, please schedule to meet with your child's teacher at a time that works for everyone. Thank you!

What to Wear to School?

Please send your child to school with appropriate jacket, hat, etc. for the ever-changing spring weather of Flagstaff. We go outside everyday and want each student to be comfortable and enjoy outside activity. Also, children need sturdy play shoes that allow them to develop gross motor skills. Please, no flip flops. **And don't forget to label all belongings....**

Thank You Very Much!

- To all the parents who were able to come in and share their profession-it made for a great month!
-

Peace and Love,

Beth, Kori, Amanda, Angie, Jena, Ellie, Sam, Jordan, and Berenice

** Included with this document is an NAEYC Program Evaluation. There will be copies available at the front sign-in desk. Please be sure to fill out and return by April 30, 2024.

Thought for the Month...

All you need is love...

The Beetles
